I have been informed of the nature, risks, and possible complications and consequences of permanent cosmetics (permanent skin pigmentation/cosmetic tattoo). I understand the permanent cosmetic procedure carries with it known and unknown complications and consequences associated with this type of cosmetic procedure, including but not limited to: infection, allergic reaction, scarring, inconsistent color, and spreading, fanning or fading of pigments. Corneal abrasions are a rare side effect, especially if I rub or scratch my eyes or apply contact lenses too soon after an eyeliner procedure. I understand the actual color of the pigment may be modified slightly, due to the tone and color of my skin. I fully understand this is a tattoo process and therefore not an exact science, but an art. I request the permanent cosmetic procedure(s), and accept the permanence of the procedure, acknowledge the likelihood of fading over time, as well as the possible complications and consequences of the said procedure(s). I understand that if I have any skin treatments, laser hair removal, plastic surgery, or other skin altering procedures, it may result in adverse changes to my permanent cosmetics. I acknowledge some of these potential adverse changes may not be correctable. If I am to receive and MRI after the procedure, I must tell the Radiologist that I may have iron-oxide permanent cosmetics. If I am a lens wearer, I realize that I must keep my lenses out the day of an eye liner procedure. X _____

I have received pre- and post procedure instructions and I will strictly adhere to such instructions. I understand that my failure to do so may jeopardize my chances for a successful procedure. I have disclosed all medications and/or drugs I am taking either prescription or non-prescription and their purpose or indications. I have disclosed any medical conditions that may affect the healing of my skin pigmentation. If I have ever had cold sores (fever blisters, herpes simplex), I will consult with and strictly follow my doctor's instructions before contemplating any permanent cosmetic procedure around my lips. X _____

I understand that the taking of before and after photographs of the said procedure(s) are a condition of such procedure(s). I certify I have read and initialed the above paragraphs and have had explained to my understanding this consent and procedure permit. I accept full responsibility for the decision to have this permanent cosmetic procedure(s) performed.
